

# Evening Presentation: Amphibians and Reptiles in Your Neighborhood

**When:** November 19, 2014, 6:30-8:00 pm – **FREE!**

**Where:** Gresham City Hall Council Chambers,  
1333 NW Eastman Parkway, Gresham OR

Amphibians and reptiles can tell us a lot about the health of our community. Both rare and common species can be found in Gresham.

- **Gain a basic understanding of amphibian life history and identification.**
- **Understand the impacts of restoration, invasive plant species and development.**
- **Learn how your backyard landscape can support these species and many more.**

Join us for an evening of speakers and discussion.

### Speakers:

**Laura Guderyahn**, City of Gresham Natural Resources Program

**Katie Holzer**, PhD Conservation Biology, Portland Parks and Recreation

**Ashley Smithers**, Graduate Student Natural Resource Management PSU

**Gaylen Beatty**, Columbia Land Trust Backyard Habitat Program
