

**Habitat Restoration Event with
The Wetlands Conservancy!
Saturday, November 22, 2014**

**Volunteer event for
all ages!**

When: Saturday,
November 22, 1:00PM-
4:00PM

Where: Nyberg
Wetland, Tualatin, OR

What: Invasive species
removal, and litter pick
up.

Nyberg wetland is part of a network of wetlands along the Nyberg Creek Greenway in Tualatin. These preserves work together to deter flooding, improve water quality, prevent erosion, and provide habitat to beaver, great blue heron, amphibians, and many other wetland wildlife species. Come join us as we work to restore habitat this special place. Bring your binoculars for wildlife viewing!
